Qualification within the Mysore State seems to be necessary in order to be entered in the electoral roll of the membership of the Board and to be elected as a member of the Assembly from that Board.

Whether Mr. Sanjeevaiah does make his residence at Bangalore permanent or not. Should requisitions be written on small slips, the notes must be copied, or slips pasted on this form.

(8) The only difficulty in this case is that the rules relating to the Associations do not specifically say that the candidates or members who elect them, should reside in the Mysore State. It seems enough if they are either Mysoreans by birth or domicile and in the latter case they shd. have resided in the State for 6 months prior to the preparation of the electoral rolls.

(in regard to genl: consti. tuencies)

(9) The present case comes up for consideration in connection with the payment of a necessarily larger J. A. that will have to be paid to the Mrs Sanjivaiah.

But, as the rules stand at present there is nothing to prevent him from residing ~~at Goa~~ outside Mysore for purposes of business.

The draft is for consideration.

There is nothing in the rules to disqualify him on the ground of residence in foreign territory. But from the general qualifications prescribed for the voters and candidates generally, it is clear that such candidates and voters should have an

(18) As the rules as they stand are, defective on the point perhaps Mr. Sanjiviah may be politely asked to resign his membership on the main ground of permanent residence outside my zone territory.
